PROPERTY OWNERSHIP AND TITLE SEARCH DUE DILIGENCE
CHECKLIST WHEN REPRESENTING BUYERS/TENANTS

This checklist includes due diligence activities related to property ownership and title searches that real estate professionals should undertake when representing buyers/tenants. It is not an exhaustive list. Due diligence activities that need to be performed in relation to a potential or actual real estate transaction may vary. Real estate professionals should ensure they document in writing all due diligence activities they perform, including situational details, such as the date, time, manner and where the activity was performed.
