This agreed-upon procedures engagement will be conducted on the basis that _____ ("brokerage") is responsible for the subject matter on which the agreed-upon procedures are performed. Further, this agreed-upon procedures engagement is not an assurance engagement. Accordingly, we do not express an opinion or an assurance conclusion. Furthermore, our engagement cannot be relied upon to prevent or detect defalcations or disclose irregularities, which may have occurred during the Reporting Period. In completing the Accountant's Report, we will select a month of our choice within the reporting period. The month selected (hereinafter referred to in this report as the "selected month") will be reported to the Real Estate Council of Alberta and used for the purpose of completing procedures 2, 3, 4, 6, and 7 of the Accountant's Report. The procedures we will carry out are as follows *if applicable*:

1. Inspect the brokerage's trust depository statements, the trust bank reconciliation and trust liability reconciliation (to determine whether there are sufficient funds in the depositories to meet the trust liabilities) for each of the _____ months in the period ended _____ and observed that:
 - a) each reconciliation showed there were sufficient funds to meet the liabilities,

 - c) there were no overdrafts,
 - d) there were no unreconciled differences, and
 - e) each trust bank reconciliation was dated within 30 days of the month being reconciled and bore the signature of the broker.
2. For the selected month, review a number of condominium management services agreements. Together with the brokerage's trust ledger accounts and supporting records, confirm that they indicate:
 - a) a description clearly identifying the condominium corporation involved,
 - b) the amount of the condominium fee or other funds received was consistent with the contribution schedule to the budget or other document (where there is more than one receipt for any of the condo corporation selected in the sample month, all receipts to a maximum of three should be tested),
 - c) the amount of the brokerage's management fee or other remuneration, the name of the party paying the fee or other remuneration and that it was consistent with the signed management or other agreement, and
 - d) any affiliated individuals or companies providing services is disclosed to the condominium corporation.

3. Trace the information in the trust bank reconciliation at the end of the selected month.
4. Inspect the information in the trust liability reconciliation to determine whether there are sufficient funds in the depositories to meet the trust liabilities at the end of the selected month.
5. Trace the amount of all trust accounts with depositories in relation to Condominium Management Services activity disclosed in the Real Estate Brokerage's Representations to RECA as at _____ (period end date). Trace the recorded amounts on the brokerage's trust bank reconciliations and review the reconciling items to arrive at the brokerage's reconciled balance.
6. For the selected month, trace a number of deposits from the trust ledger to the bank deposit books, bank statements and supporting records, to determine if trust money received in relation to the Condominium Property Act were deposited within three (3) banking days after the date of receipt (up to a maximum of three (3) deposits per condo corporation should be tested).
7. For the selected month, examine disbursements from the trust accounts and trace the disbursements to the condominium management services agreement and supporting documentations (up to a maximum of three (3) disbursements per condo corporation should be tested).
8. Forward a copy of the Accountant's Report to the brokerage and discuss the contents with the broker.

These procedures do not constitute an audit and therefore we will not express an opinion about the accuracy or completeness of the trust books, records and financial information provided, or about whether or not there were any irregularities during the year that were not disclosed to us. However, we will report on the results of the preceding procedures.

The selected month should, whenever possible, be representative of the operations of the brokerage and if there have been transactions must always include a transaction. If there is only one month with a deposit that month should be selected, even if there were no disbursements in that month.

If the report is being issued only as a result of the holding and disbursement of funds received in a previous fiscal period. Then the sample month should be one where a disbursement was made, and this fact is stated in the additional comments to the report.
