Part One: New *Licence Renewal* tab

Welcome to the myRECA *Licence Renewal* tab. New in 2025, this tab is your one-stop-shop for completing and managing your and your brokerage's licence renewal.

If your brokerage has licensees, you will continue to manage their renewals from the My Brokerage tab.

The screenshot displays the myRECA website interface. At the top, the myRECA logo is on the left, and a banner image shows three people in a professional setting. Below the banner is a teal navigation bar with tabs: My Account, Education, Licensing, Licence Renewal (highlighted with a red box), and My Brokerage. Below this is a grey bar with sub-tabs: Real Estate and Mortgage (highlighted with a red box). On the left side, a vertical menu is highlighted with a red box, containing: Renewal Status, Relicensing Course(s), Fees, Payment Methods, Credit card, Offline payment, Online banking, and Resources. The main content area features a red 'Important' heading followed by text about reporting events under Section 40 of the Real Estate Act Rules. Below this is another section titled 'Renewal Status' with a message: 'You have not yet started your licence renewal. Click **Start Renewal** below to get started.'

Important

If any events described in [Section 40](#) of the *Real Estate Act* Rules have occurred, you must notify the registrar about the event(s) before you can renew your licence(s). Go to the My Account tab and click "Notify the Registrar". Failure to report an event(s) prior to renewing may result in sanction or suspension or cancellation of your licence. Refer to the [Notification to the Registrar Guide](#) for more information.

You cannot renew your and your brokerage's licences if there are any unreported brokerage amendments. Contact registration@reca.ca for more information.

If you do not own greater than 50% of the brokerage, you cannot renew your and your brokerage's licences until you have a completed Brokerage Renewal Suitability Questions form.
