

Catherine Douglas' Candidate Statement

2025 Industry Council Election

I have been actively involved in the Condominium management industry since 2014, bringing over a decade of experience managing both large and small portfolios across Alberta. As both a Licensed Associate Broker and a Licensed Real Estate Associate Broker, I bring a broad, well-rounded perspective to the industry.

My hands-on experience is complemented by my role as a condominium owner and current board member in Edmonton, giving me valuable insight into the needs and challenges faced by both industry professionals and condominium owners. I am committed to upholding high professional standards, fostering transparency, and ensuring that the voices of property managers and stakeholders are heard in decision-making.

If elected, I will work to promote professionalism, strengthen industry best practices, and advocate for balanced policies that benefit licensees, condominium corporations, and residents alike.

Thank you for your consideration

Sincerely,
