Elections Council Elections 2025
Residential Council

I would like to announce that I am running for the Residential Real Estate Council of Alberta.

By the end of November 2025, I will have been on the Council for the last 2 years. I feel we have accomplished a lot over this period, not only thanks to the council but also the previous councils and the hard-working staff at RECA, this was accomplished even though we have had to deal with the red tape reduction the Minister has implemented, education competencies and the rules review.

With over 39 plus years' experience as a Real Estate Broker running a large Brokerage in Calgary, I feel I have an extensive knowledge of our industry.

Alberta is probably the best and most respected place to buy and sell real Estate in Canada, this is because of RECA and the boards across Alberta.

RECA is well-run because of all the different real estate industry councils. Each of these councils is then able to draw from the wisdom of two public members. I believe this exchange of knowledge makes Alberta one of the safest places to buy and sell real estate.

I look forward to serving RECA for another term.

Sincerely,
